SMS solutions

“very few **garages** can offer their customers such personalised reminders”

...so this will really set you apart

with SMileS you can revolutionise the way in which you communicate with your valuable prospects & customers

SMileS can help maximise your potential

- send annual MOT reminders
- remind customers to book in for a service
- send booking confirmations
- send daily MOT reminders automatically
- send annual MOT reminders

In the event of an emergency, how long would it take to reach all parents by phone?

Service & **MOT** reminders can keep your **customers** coming **back**- let your customer know that their **car** is **ready** for collection or an ordered **part** has arrived or simply send them a **thank you** text after a service or MOT.

use the power of SMS

benefits

- reduce the number of calls you need to make
- reduce the cost of missed services
- increase the reach of your messages
- reminders by SMS a before the service will help remind your most forgetful customers
- encourage prospects to respond to your adverts
- book test drives
- broadcast messages by bluetooth

SMS text marketing has exploded in popularity in recent years. More and more car dealerships and garages are recognising its benefits. Promotions, offers and news can be sent to customers in an instant. Messages will be received by individuals and, because mobile phones tend to be always with people, they will be read with minimal delay. SMS marketing is very cost-effective, working out at a fraction of a phone call.
