

Medic Appointment Keeper

How often do we all
forget appointments?

Send SMS reminders!

SMileS Medic Appointment Keeper is a web-based service which allows both small and large practices to provide a value added SMS/Text message reminder service for their patients.

SMileS can help
Maximise your
Potential

How much **time & revenue** does your practice lose from **no-shows**? **Surgeries** can now harness the power of **SMS** to send timely **reminders** to their patients to help them remember to **arrive**, and arrive **on time**.

reduce no-shows & improve patient punctuality because you know patients “just forget”

- simple reminders by SMS
- improve customer focused image
- maintained in minutes saving hours of lost work
- reduce the cost of paper, ink, postage and time
- you know the patient got the reminder as you get a delivery receipt
- people take their mobile phones everywhere with them, and your message is automatically displayed
